How to register SAM 3D-Putt in the SAM PuttLab 5.1 software

Please note: PuttLab 5.1 software version is a prerequisite to use the SAM 3D-Putt software. Please follow the steps below in the right order!

1. Check if PuttLab 5.1 is installed! The text under the PuttLab icon should be "SAM PuttLab 5.1".

   If your SAM PuttLab version is not equal or higher than 5.1 please contact: support@scienceandmotion.com

2. Download SAM 3D-Putt from the download link provided from Science & Motion Sports.

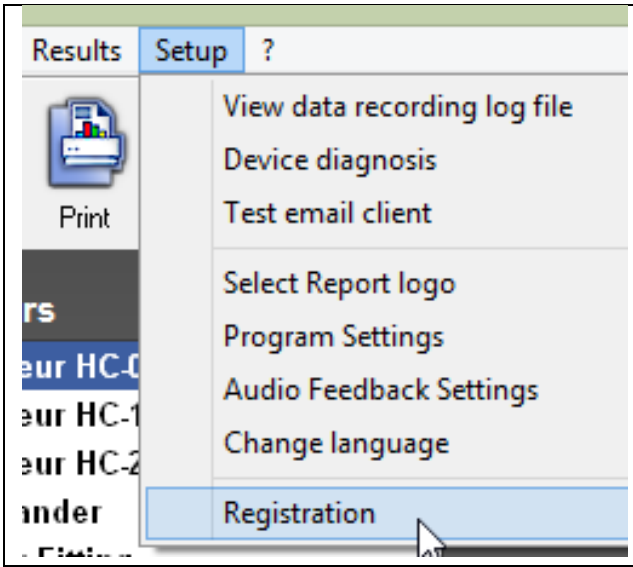
   Please note: The SAM PuttLab 5.1 software must already be installed **BEFORE** you intsall the SAM 3D-Putt software.

3. Unzip the file and install it on the same computer as your SAM PuttLab software.

4. The SAM 3D-Putt software must be registered in SAM PuttLab software before it can be used in automatic mode.

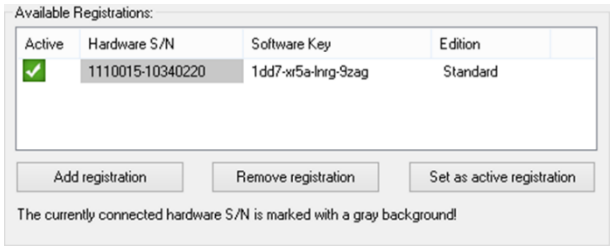
   You need the 3D-Putt license key to do the registration. If you don't have this key please contact: support@scienceandmotion.com

   The SAM PuttLab Base Unit must be connected (USB) during the registration process. Otherwise the license validation will fail.



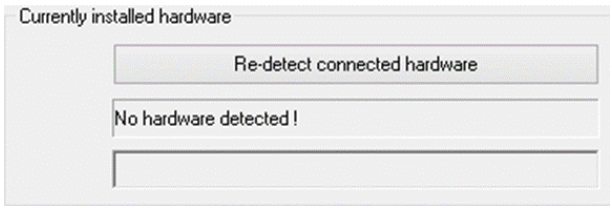
To register SAM 3D-Putt do the following:

5. Go to "Setup" and "Registration" in the PuttLab 5.1 software:

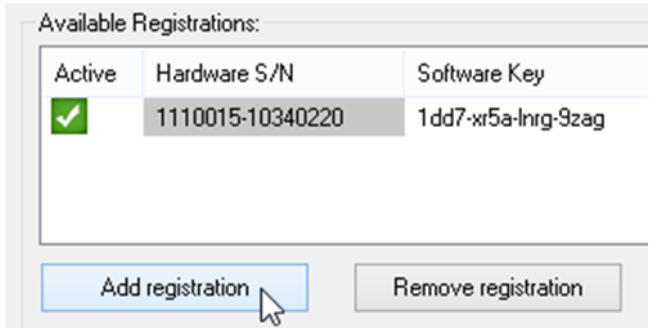


☞ In the registration window you see the actual license information:

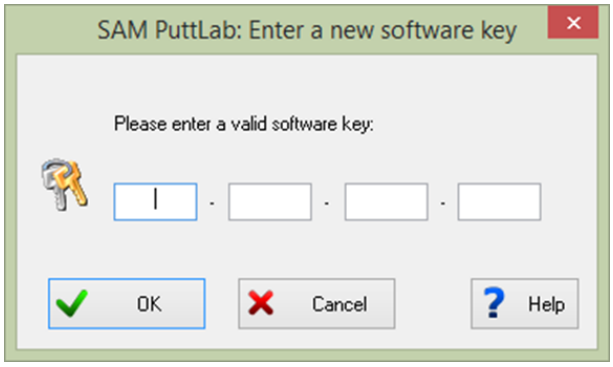
6. Please check if the PuttLab hardware for this license is currently connected. This information is listed on the bottom of the registration window:



If the information looks like follows please connect your PuttLab base unit and press the button "Re-detect connected hardware".



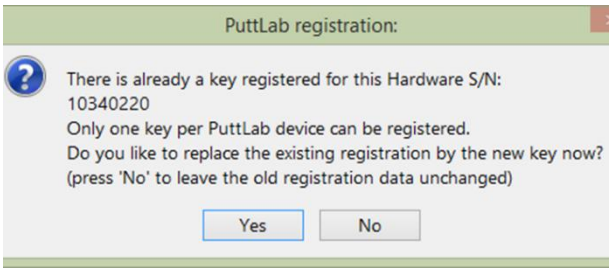
7. If hardware is detected press the button "Add registration":



8. In the following window enter your new 16 digit license key: All small characters are letters. All capital characters are numbers.

   Please do not mix up letter "l" and number "1".

9. When all fields are completed press "OK".



☞ In case of successful validation of the key you will see the following message. This is just a notification that your existing license will be replaced by a new license.

10. Press "Yes" to activate the new license.

☞ You should now see the "3D" appendix listed in your license:

✓ **The SAM 3D-Putt license is now active and you can use the application with PuttLab to see your putting data in 3D.**

If you have any problems with the registration of your 3D-Putt license please contact Science & Motion Sports under:support@scienceandmotion.com
